TRAVEL GUIDELINES

Updated 6/1/20, effective now through August 31, 2020:

- All personal and Cedarhurst business international and domestic congregate travel (*i.e. airplane, cruise boat, train - other than normal commute, etc.*) is strongly discouraged. Upon returning from any congregate travel, the employee is prohibited from entering a Cedarhurst community and having direct contact with residents for either:
 - 1) a minimum of 7 days after you (or someone you are in close contact with) has returned and then test negative for COVID-19
 - 2) a minimum of 14 days after you (*or someone you are in close contact with*) has returned and confirmed as not having any signs or symptoms of COVID-19
- We strongly urge caution and judgment for all your personal and business-related travel.
- We encourage social distancing of 6' or more for any essential in-person meetings.
